Recap of 2011 Winter/Spring Shows

Minneapolis Boat Show, January 20th-23rd

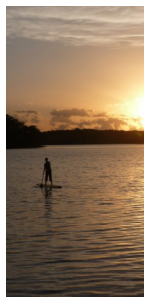

Wow, we had a great time at the Boat Show. This was Silver Creek Paddle's first show and we have to say we loved it! We enjoyed talking with everyone that stopped by our booth. Thank you for taking the time out of your day to visit with us and learn all that this sport has to offer. There was a lot of excitement at the show, and if you didn't see Rob's TV interviews on SUP, go to our Facebook page to check it out!

Lake Home & Cabin Show, February 11th-13th

Another great show. Again, there was so much excitement about this awesome sport. We met so many nice folks wanting to add a board to their 'fleet of toys'. SUP truly gives you a whole new perspective on the water.

Northwest Sportshow, March 30th-April 3rd

If you or your family/friends didn't get a chance to meet us or see our boards at the other two shows, you have one more chance to check out them out before we are out on the water. We will be at the Northwest Sportshow, March 30-April 3rd at the Minneapolis Convention Center. Come visit us at Booth #1424. Show hours are Wednesday, Thursday 1pm-9pm, Friday 11am-9pm, Saturday 10am-9pm and Sunday 10am-5pm. We will have our boards, paddles and accessories on display. Come visit us!

What'SUP

We are stoked for our line up of boards this year and know you will love them too. Choosing the right board is hands down the most important step to ensure that you have a great experience with stand up paddleboarding . We are carrying a nice selection of boards that are just right for recreational, fitness or race use. We have boards that are great for resort or cabin rentals as well. Just ask and we would love to talk to you about the benefits of each board.

Pau Hana has a New Team Rider, Nick Troutman. He is the 2010 Free-style World Kayak Champion. Check Nick out on the Big EZ river surfing in TN of all places!

Are you thinking of a vacation or already have a vacation planned at one of the Sandals Resorts in Jamaica? If you do, you will be able to take a ride on the Big EZ. Pau Hana just finished training the head of all water sports and the water sports managers from 8 Sandals locations. Check out these beautiful boards that were custom made for the Sandals resorts!

Silver Creek Paddle & Company is a family run business. We grew up with fond memories of weekends at the lake, having fun and relaxing with our family and friends. We love everything outdoors, and have two young girls and a crazy golden retriever who adventure with us.
