BWCA Trip

You have heard people paddle and portage the BWCA with canoes and kayaks, but have you thought about a SUP trip to the BWCA? Rob and his dad took a fall trip to the BWCA with the Big EZ and the Crossfit.

2012 is turning out to be an awesome year when it comes to our board line-up. We couldn't be more thrilled about the variety of boards arriving soon. We won't get into too much detail here (our website will go in depth), but we've added four new boards to the line-up that we think will be hits.

Here is our 2012 Line-up

2011 Wrap-up

YOU made 2011 a great year! **THANK YOU!**

We had a great time meeting many of you at trade shows, demo events, or just out paddling. If you're interested in a board package, we do have a handful of boards left. Please call if you'd like to discuss our off season board availability and pricing!

If you are looking to paddle with a group a people, check us out on www.meetup.com/SilverCreekPaddle. During the Spring and Summer months we will set-up time to get together and paddle!

We've Moved

Silver Creek Paddle & Company is a family run business. We grew up with fond memories of weekends at the lake, having fun and relaxing with our family and friends. We love everything outdoors, and have two young girls and a crazy golden retriever who adventure with us.
